

07/07/94

Dear Falmouth Cutter Owners,

This is just a brief note to introduce ourselves as the persons taking over the newsletter. We are Donna Hayward and John Lawrence.

I see that the last newsletter was in January 1993 so I think we have some catching up to do before we put out the next edition, hence this note. I would greatly appreciate your writing us and letting us know your current status--boat, address, phone, etc. I will recognize most of your names from the past newsletters, but I am sure you all have done a lot during the past year, gone many places or completed projects that we all would like to hear about. So please drop me a line and bring me up to date.

Sincerely,

Donna Hayward
